

VENTILADOR CIRCULADOR METALICO 100W RAYDAN HOME

*Photographs might not correspond exactly with real product. They can differ in minor details.

Adjustable Tilt.

Thermal Link for Motor:

Industrial fan

1. General Information

Additional Characteristics	Product Type	Industrial fan
	Product family	Ventilation
	Class	I
	IP Protection	20
	Power cable (mm²)	H05VV-F 3x0.75
	Certificates	CE, RoHS
	Grill past test finger	Yes
	Body Material	Metal
	Blades Material	Metal
	Color	Silver
	Screws require an special tool for open it	Yes
	Motor with Thermal Link	Yes
	3 Speeds Control	Yes
	Protecting Grill:	Yes
	Adjustable Tilt	Yes

2. Energy Supply Information

Charger Input Rated Voltage (V)	220-240 AC
Charger Working frequency (Hz)	50
Power (W)	100

3. Approximate Product Dimensions

Full Length (mm)	505
Full Height (mm)	480
Full Thickness (mm)	190
Structural Support Diameter (mm)	22
Fan Rod Diameter (mm)	1.65
Fan Structural Rod Diameter (mm)	2.8
Fan Diameter (mm)	465
Blade Radius (mm)	185
Blade Thickness (mm)	0.65
Weight (Kg)	3.96
Power Cable Length (mm)	1500

4. Packaging

Packaging Specifications	*See corresponding packaging specification
